

Welcome to the Fenton Music Boosters

Join Us!!!

September 13th, 2017 7:30pm in the band room

**Band Parents + Choir Parents + Color Guard Parents
= *Fenton High School Music Boosters***

That's right!

If you have a child in band or choir, you are automatically a FHS Music Boosters!

We meet on the 2nd Wednesday of every month in either the FHS band or choir room at 7:30 pm to discuss our group's upcoming activities.

FHS Music Boosters is the parent organization that:

- ❖ Provides assistance with all music programs.
- ❖ Provides yearly instructional scholarships and senior scholarships to music students .
- ❖ Provides fundraising opportunities to students to help offset trip and music related costs.

Why Volunteer?? It's a fun way to meet other parents, while supporting your student's interests, talents and school. As an incentive for each of your volunteer activities, a parent will receive a participation point.

Two PPPs per year are required for Senior Scholarship application.

Scholarships: The Music Boosters provide four individual Senior Scholarships of \$500. Senior students who are currently and have been in the department for at least two (2) academic years are eligible to apply if all parent participation points have been earned.

Individual Private Lesson Scholarships in varying amounts are provided based on the number of applicants each year.

Please see the Fenton Guidance Web page for full scholarship details.

Watch your E-mail. FHS Music Boosters will be sending additional volunteer opportunity information during the summer.
